Report.

A vacancy having occurred among the elected members of the Madras Legislative Council by reason of the death on 24th November 1921 of M.R.Ry. Diwan Bahadur A. Sobharayulu Reddi Garu, a member elected to the said Council by the South Arcot non-Muhammadan rural constituency, the said constituency was called upon to elect a duly qualified person for the purpose of filling up the said vacancy. There being more than one candidate for the vacancy a poll had to be taken and 20th of January 1922 was fixed as the date of election. The votes of the electors of the said constituency were taken on 20th January 1922 with the result that Mr. K. Sitarama Reddiyar secured 9,878 votes, whereas the rival candidate Mr Ramachandra Padayachi secured only 6,370 votes, the difference being 3,508 and consequently Mr. Sitarama Reddiyar was declared as duly elected.

Ramachandra Padayachi having presented to His Excellency the Governor a petition, dated 13th February 1922, against the returned candidate, Mr Sitarama Reddiyar, His Excellency has referred to the Commissioners the trial of the said petition.

The main allegation in the petition is that K. Sitarama Reddiyar by his agents before and during the election was guilty of corrupt practice of bribery. Paragraph 3 of the petition states: "One Y. R. Tholasinga Kavandar, now at Rama Kavandar..." The gratifications referred to were with reference to a concession in the school fees for the son of the said Tholasinga Kavandar and a membership of the Cuddalore Taluk Board. This was the only charge pressed at the trial. Though some further allegations namely (a) false personation of a voter at the election—paragraph 5; (b) certain voters being refused opportunity to vote for the petitioner at certain polling stations were also made in the petition, no specific evidence was forthcoming at the trial to support the said allegations or to connect the respondent in any way with the acts referred to and the said charges were very properly dropped by the petitioner during the enquiry in the circumstances of the case.

Thus the only question to be decided is whether the respondent was guilty of the corrupt practice of bribery by his agent Amalodas Pillai. To appreciate properly the facts connected with the same it is necessary to mention that one Y. R. Tholasinga Kavandar residing at Vizhamoogalam, Panruti, had two sons studying in the Board High School, Panruti. The elder by name Ramachendra was reading in the first form on concessional batta-less. The said Tholasinga Kavandar on 4th August 1921, applied to the President, District Board, South Arcot (the respondent) for a similar concession in respect of his second son Ramakrishna who was newly admitted in the fourth class stating that he was a member of a backward class, was a man of large expenditure and small income, etc. It so happened that the said Tholasinga Kavandar sent another petition to the President, District Board on 20th August 1921, requesting the President to appoint him as a member of Cuddalore Taluk Board urging amongst his claims to be so appointed that he was a member of Panruti Union Board, was a mirasdar possessing houses, patta lands and other inam lands, etc. The petition also stated that the respondent was understood to have nominated Rao Sahib P. D. Rajaratna Mudaliyar of Panruti who was the late Chairman for the last thirty years in the vacancy in the Taluk Board but urged that Mr. Rajaratna Mudaliyar being an Honorary Magistrate of Panruti

Bench Court was disqualified to be a member of the local taluk board. The respondent, having before him the said two petitions of Tholasinga Gounder, passed proceedings on 5th September 1921, to the following effect: "From the second of the papers read above dated 20th August 1921, it is seen that M.R.Ry. Tholasinga Gounder is a member of Panruti Union Board and a mirasdar possessing houses, patta lands and inam lands. As such he cannot be classed as poor and the concession applied for in his petition dated 5th August 1921, cannot be granted. (2) The petitioner's other son Ramachandran who is reading in first form of the same school and who has been allowed the concession of paying half fees will be required to pay full fees from the next instalment (October 1921) as it is now made clear that he is not poor." Tholasinga Gounder appealed from the President's order to the Director of Public Instruction on 17th September 1921, but the Director of Public Instruction declined to interfere with the President's order. Subsequently however on 17th October 1921, one Swaminatha Gounden, maternal uncle of the boy Ramachandran, of Vizhamangalam, Panruti, sent a petition requesting concessional rate of fees in respect of Ramachandran alleging that the boy Ramachandran was his (Swaminatha's) elder sister's son—his elder sister being the second wife of Tholasinga - and was under his protection, that he was the guardian of the said boy, that he belonged to a backward class, was poor, etc. That though Tholasinga Gounder was Ramachandran's father, the boy was not in Tholasinga's protection, etc. That Tholasinga was living in Rama Gounden's Street with his first wife's son Ramakrishnan whereas the boy Ramachandran and his mother were living in Thillai Govinda Chetti lane with Swaminatha. That it was not just to cancel the concession granted to Ramachandran because Tholasinga applied for concession for Ramakrishnan. The petition further stated that "You the President will become personally aware of the fact if enquiries were made regarding the allegations of any of the teachers or any other proper officer" and it wound up by stating that unless concession was granted to Ramachandran the boy who was under the protection of a very poor man like himself had no other recourse then to leave the school and get out of it. This petition was referred to the headmaster for remarks and on 9th November 1921, the respondent passed orders in modification of the prior order dated 5th September 1921, allowing Ramachandran to pay half fee as hitherto thus restoring the old concession granted to Ramachandran.

Now the petitioner's case is that the respondent (Seetharama Reddiyar) in October 1921, contemplated standing as a candidate in respect of the place rendered vacant by the absence of Mr. Subbarayulu Reddiyar from three consecutive meetings of the Legislative Council owing to ill-health; that Amaldoss Pillai was the Respondent's agent and he included Tholasinga Gounder to work on behalf of the respondent. Amaldoss Pillai promised to secure the restoration of the old concession as regards the school fee to Tholasinga's son Ramachandran and also promised to secure to Tholasinga a seat in the Cuddalore Taluk Board by recommending the same to the respondent; that the bargain between Amaldoss and Tholasinga was struck in the presence of one Rajendram Pillai, the Sanitary Overseer of Panruti; that Tholasinga worked on behalf of the respondent and Amaldoss Pillai secured the restoration of the concession for Ramachandran and induced the respondent to pass the order of 9th November referred to above.

A letter, Exhibit G, written by Amaldoss to Tholasinga on 9th November 1921 is also relied on as confirming the statement of Tholasinga. In that letter Amaldoss states "I could find opportunity only yesterday to represent to the President in regard to the grant of the concession fee to your son Ramachandran in the Panruti High School. Accordingly I recommended to the President yesterday. The President kindly sanctioned the said concession fees. I am informing you of this matter beforehand. Order from office will go to you in due course. Please intimate this fact also to Rajendram". The letter is marked 'confidential'. In addition to Tholasinga Gounder, Rajendram Pillai and Ratna Pillai have been examined in support of the above conversation and the bargain came to between Tholasinga and Amaldoss. The substance of their evidence is that Amaldoss being anxious to use the influence possessed by Tholasinga to secure votes for the respondent asked Rajendram Pillai to take Tholasinga from Panruti to Amaldoss's house at Cuddalore and that at the conversation the bargain was struck that Amaldoss would induce the respondent to restore the concession for both the boys and also get Tholasinga appointed as a member of the Taluk Board and Tholasinga in return was to work for the respondent and secure him as many votes as possible. Rajendram and Ratna Pillai are said to have been present at the conversation. On the other hand Amaldoss denies any such meeting or conversation and explains that Rajendram Pillai (a Roman Catholic like himself) and the Sanitary Overseer of Panruti recommended to him the restoration of the concession to the boy Ramachandran and relying on the representations of Rajendram he recommended the matter to the President, that though he went a little out of his way in communicating to Tholasinga the grant of the concession before the order from the office emanated in the usual course, he was prompted by no other considerations whatsoever in the matter and that the question of election and the respondent standing as a candidate for the same was never thought of at the time and was not present either to his mind or to the mind of the respondent. The respondent also has given evidence to the same effect and has sworn that till the death of Mr. Subbarayulu Reddiyar on 24th November 1921, he had no idea of standing as a candidate for election to the Legislative Council and that he was prompted by no considerations relating to election in passing orders restoring Ramachandra's concession.

It becomes important to consider whether an election was in contemplation of the parties at the time. It is in evidence that Mr Subbarayulu Reddiyar resigned his Ministership in June 1921 owing to ill-health and that he continued to be a member of the Legislative Council till his death on 24th November 1921 though he did not attend any meeting of the Council after June 1921. The vacancy having been thus caused only by his death on 24th November 1921, the onus lies on the petitioner to show that the respondent contemplated an election and intended to stand as a candidate long before the said date.

The evidence let in on the petitioner's side is to the effect that Mr. Subbarayulu Reddiyar resigned his Ministership in June 1921 and subsequently absented himself from three consecutive meetings of the Legislative Council thus forfeiting his seat and that a vacancy really occurred long before the actual death of Mr. Subbarayulu Reddiyar, which event took place on 24th November 1921. This evidence is on the face of it unreliable since there is no such rule applicable to the Legislative Council that absence for three consecutive meetings works forfeiture of the seat. The petitioner's witnesses are really labouring under a misapprehension and trying to apply a rule

applicable to Local Boards in the case of the Legislative Council. Section 28 of the Government of India Act leaves it entirely to the discretion of the Governor to declare that the seat of a member who for a period of two consecutive months is unable to attend to the duties of his office has become vacant. In the case of Mr Subbarayalu Reddiyar no such declaration has been made by His Excellency the Governor and Rubric IX, *Fort St. George Gazette*, of 3rd January 1922, declares that the vacancy has been caused by the death of Mr. Subbarayalu Reddiyar on 24th November 1921. No reliable evidence has been adduced to prove that the respondent or Amaldoss had an election in contemplation before the death of Mr Subbarayalu Reddiyar and consequently it cannot be said that the acts imputed to Amaldoss in October 1921 in connexion with the restoration of the concession to Ramachandran constituted a corrupt practice invalidating the election. But we have no doubt on the evidence that there was no such agreement as alleged by Tholasingam. Tholasingam though a member of Panruti Union Board and a mirasdar, struck on as an entirely unreliable witness. According to his own admission he is a man who is prepared to make any false statement for achieving his object however insignificant. He admits that it was he who got the petition of 17th October 1921 prepared in the name of Swaminatha Karandar and that he is responsible for the statements contained therein, that the allegation is that petition that his son Ramachandra was not under his protection but was under Swaminatha was absolutely false and that the same was made to get the concession for Ramachandra by having the school fee reduced from Rs. 1-4-0 to 10 annas a month. The headmaster reported to the President, District Board, that Tholasinga was a prominent non co-operator. He himself admits that though he is a member of the managing committee of his own caste Vanniya Sangam and though that sangam resolved to support the candidature of Mr Ramachandra Padayachi, the petitioner, who belongs to the same caste, yet Tholasinga says that he paid no regard to the said resolutions of his caste sangam and worked for the rival candidate, the respondent, who belonged to quite another caste and that he invited to his caste men voters who were coming to the polling stations not to vote for Ramachandra Padayachi but to vote for the respondent. He now comes forward to give evidence against the respondent though he says that he was working for the respondent in the election. There is also the further fact that in spite of the alleged agreement come to between himself and Amaldoss he, Tholasinga, had been petitioning against the appointment of Rajaratna Mudaliyar to the taluk board while the respondent was supporting Rajaratnam's appointment. It is difficult to understand why the respondent was supporting Rajaratna Mudaliyar if as a matter of fact an agreement had been made between Tholasinga and the respondent for it would obviously be to the interests of the respondent to keep his part of the bargain. The petitioner, Ramachandra Padayachi, is not personally aware of any of the matters stated in the petition and he did not go into the witness box himself. He does not allege that the respondent Sitharama Reddiyar was guilty of any corrupt practice personally and directly, the allegation being that by his agent Amaldoss, the respondent was so guilty of such practice. Now what is the evidence led in by the petitioner to prove such corrupt practice on the part of Amaldoss. The first witness for the petitioner, Tholasinga Karandar, deposes that he was chairman-delegate of Panruti Union, that as a result of his applying for concessional rate of school fees for his second son Ramakrishnan, the respondent, who was the President of the District Board, cancelled the concession which his first son Ramachandran was enjoying, that the Director of Public Instruction to whom he preferred an appeal declined to interfere with the President's order, that subsequently he saw Rajendram Pillai (Sanitary Overseer of Panruti) and wanted him to speak to the head clerk of the District Board (Amaldoss Pillai) about it and subsequently Rajendram, Ratna Pillai and himself went to Cuddalore and saw Amaldoss Pillai in his house, that Amaldoss Pillai asked him to work for the President since it was understood that Ramachandra Padayachi, the petitioner, was also standing as a candidate and that Tholasinga was asked to work for Sitharama Reddiyar, that Tholasinga represented that the President had passed all orders against him and asked Amaldoss how he expected him to work for the respondent and that Amaldoss replied that he would speak to the President and get the President to pass orders in his favour and that if he would present a fresh petition through another he would see that orders were passed restoring the concession and that Tholasinga would be appointed as a member of the taluk board whenever there was a vacancy. Tholasinga agreed and the bargain was struck. A petition was accordingly prepared, Exhibit E, dated 17th October 1921, in the name of the omitted male of Ramachandra with the particulars stated already. The witness had to admit that though the President was supporting Rajaratna Mudaliyar's appointment right through and though his caste sangam, of which managing committee he was a member, had resolved to support Ramachandra Padayachi, yet he secretly supported the respondent and that neither Ramachandra nor his caste people knew that he was working for the respondent. It is impossible to believe his statement that he told his caste people to vote for Mr. Reddiyar or stop away though it is probable that he asked voters to stop away seeing that he is a non-co-operator and did not vote himself at the election. A man who for the sake of 10 annas a month should work against the interests of his caste men and make allegations admittedly false should not be readily believed unless there is strong corroborating evidence. Nor is it clear why he should now turn round against Sitharama Reddiyar for whom he was working. The reason alleged by him for betraying the confidence reposed in him by the respondent is that a stranger to his caste Rajendram Pillai having disclosed the matter he was afraid that his caste people might take him to task so that he resolved to mention the matter himself

It seems to us that Tholasinga having in his possession the two orders passed by the President, first cancelling the concession and subsequently restoring the same and also Amaldoss's letter announcing the said concession confidentially before it was formally communicated, conceived the idea of building a theory of his own and furthering the interests of his caste and brought forward these unfounded allegations. Tholasinga states that he was subsequently met at the Panruti Railway station by the respondent and that the respondent reminded him then of the promise he had made to Amaldoss and requested him to work vigorously to secure votes for the respondent. This is directly contradicted by the respondent who swears that he never met Tholasinga at the Railway station or otherwise and never had any such conversation at all. In fact the respondent swears that he never knew Tholasinga till after the date of the presentation of the present objection petition. Again Tholasinga states that in the first conversation he had with Amaldoss, Amaldoss told him that the concession in respect of Ramachandra was cancelled on 8th September 1921, because he was objecting to

the President's appointment of Mr. Rajaratna Mudaliyar. That this could not be true is proved by the fact that Tholasinga's petition to the President of the *Taluk* Board complaining of the appointment of Rajaratna Mudaliyar by the respondent as illegal and requesting the President of the Taluk Board to take legal proceedings under section 58 of the Act to annul the appointment is dated 31st August 1921 and that the same was brought to the notice of the President of the District Board only about the 17th September 1921 and that before that date he had not known of Tholasinga having objected to his appointment of Rajaratna Mudaliyar Exhibit III, dated 17th September 1921, is the letter which brought this matter to the knowledge of the respondent and forwarded a memorandum, dated 24th September 1921, to the President, Taluk Board, upholding the said appointment and explaining that there was nothing illegal in it. Exhibits III and IV support the respondent's version and disprove Thalasinga's statement. Tholasinga further states that he did not know that Rajendram Pillai was anxious to get Amaldoss into trouble whereas Rajendram Pillai himself admits that he was anxious to do so and Rajendram's letter Exhibit J is conclusive on the matter wherein he explicitly states that Amaldoss should be got into trouble. Having regard to the relationship between Tholasinga and Rajendram, it is impossible to believe that Tholasinga did not know that Rajendram was anxious to get the Head Clerk into trouble. Finally Tholasinga states that even up to the time of his giving evidence he did not know that the respondent had been upholding Rajaratna Mudaliyar's appointment and insisting that there was nothing illegal in that appointment whereas the order of the District Judge of South Arcot, dated 22nd February 1922, dismissing Tholasinga's petition and holding that Rajaratha Mudaliyar's appointment was legal expressly recites a letter of the President, District Board, dated 12th December 1921 (Exhibit VII), in which the respondent supports the appointment of Rajaratna Mudaliyar and urges that the same is in no way ill-gal Tholasinga could not possibly have been ignorant of that fact because he took great interest in the proceedings before the District Judge and tried to get Rajaratna Mudaliyar's appointment to be declared illegal if he possibly could. These most of the statements made by Tholasinga are proved to be false by the documentary evidence before us and we feel no difficulty in disbelieving the statement about the conversation between himself and Amaldoss to the effect that the bargain was struck between them.

The second witness for the petitioner, Rajendram Pillai, was a munshi and then a store keeper and now a sanitary overseer in Panruti. He took great interest in Tholasinga's affairs and the petition, Exhibit E, dated 17th October 1921, applying for concession is in his handwriting and a portion of the first petition, Exhibit A, dated 5th August 1921, is also in his handwriting. This witness deposes regarding the election having been in contemplation of the respondent and Amaldoss in October long before the death of Mr. Subbarayulu Reddiyar and says that the seat became vacant because Mr Subbarayulu Reddiyar did not attend three meetings He is one of those who suffered at the hands of Amaldoss. He admits having written a letter, Exhibit J, to Ramanuja Ayyangar, clerk of the Local Fund Assistant Engineer's office, as follows:—"You need not be afraid in regard to your appointment. As I told you in person it is the Head Clerk alone who should be got into trouble. (The Tamil phrase is more expressive.—H.C. *omitted*) As already observed he is the writer of the whole of the second petition, dated 17th October 1921, save in the name of Swaminatha for reasons of the consession. The witness admits that the material statements in the petition are false, that he knew that the boy Ramachandra was under the guardianship and protection of Tholasinga and yet he made such false statements and that, though he knew, would cause loss to the District Board of which he was a servant. The witness also admits that when he wrote to Ramanuja Ayyangar to join with the witness and help him to get the Head Clerk into trouble that "you need not be afraid in regard to your appointment and that arrangements have been made for you" are all false and that the said statements were made in the letter only to induce Ramanuja Ayyangar to join Rajendram in his attempts to injure the Head Clerk. It is thus clear that no reliance can be placed on the evidence of Rajendram who admittedly owes the Head Clerk a grudge.

Petitioner's third witness, Ratna Pillai, states that he was present at the conversation in the house of Amaldoss when the bargain was struck between the parties, that he promised Amaldoss to get all Panruti votes to Sitarama Reddiyar. The witness admits that the Sub-Magistrate reported against him for picketing Liquor shops, he being evidently a non-co-operator, that though he promised to get all Panruti votes to the respondent he did not himself vote evidently because he was a non co-operator.

The next witness Sundara Nainar, a member of the District Board, produces Exhibit L, a letter dated 12th January 1922, in which Amaldoss asks him to secure votes for the President. This it is admitted is relevant only on the question of agency. His statement that he knew in October that Sitarama Reddi was standing as a candidate is not probable having regard to the other circumstances mentioned above though it is possible that he thought it likely that, should a vacancy occur, Sitarama Reddi might be a possible candidate. But the question for decision is whether Sitarama Reddi and Amaldoss had in October 1921—that is many weeks before the death of Mr. Subbarayulu Reddiyar and before the actual occurrence of the vacancy—contemplation of election We are not satisfied that they had,

The oral evidence on the side of the respondent has now to be referred to. Both Sitarama Reddi and Amaldoss have gone into the box and sworn against the truth of the allegations made against them Mr. Sitarama Reddi is a High Court vakil of twelve years' standing and states that he had no idea of an election or of his standing as a candidate during the lifetime of Mr. Subbarayulu Reddiyar to whom he was very much attached and that he did not talk to anybody about the election during Mr. Subbarayulu Reddiyar's lifetime. He states that he came to know only about the middle of September 1921 of Tholasinga having objected to his appointment of Rai Bahadur Rajaratna Mudaliyar as a member of the Taluk Board, that he wrote to the District Court, South Arcot, supporting his appointment, that he had a conversation with his Head Clerk, Amaldoss, when passing orders restoring the concession for Ramachandran, that the Head Clerk told him that Rajendram, the sanitary overseer, represented to him that the facts mentioned in Swaminatha's petition of 17th October 1921 were true and that the Headmaster to whom the petition was referred had not controverted the allegations about the guardianship etc., and that the order restoring the previous concession was passed in the usual course. He says he did not appoint Amaldoss as his agent.

Amaldoss also gives similar evidence. No doubt a discrepancy between the evidence of Mr. Seetharama Reddi and Amaldoss was pointed out to us that whereas Mr. Seetharama Reddi says that he handed over some printed electioneering postcards of his to Amaldoss with instructions to send them to certain persons named by him, Amaldoss says that Mr Seetharama Reddi did not give the postcards but that he Amaldoss himself took the printed cards from the President's house and posted them of his own accord without the knowledge of the President. The point is not a very material one nor in any sense conclusive. Rajendram is a Roman Catholic Christian just like Amaldoss and there is nothing improbable in the statement made by Amaldoss that when a fellow Christian like Rajendram recommended the petition asking for the restoration of the commission for Ramachandra stating that the facts mentioned therein were true Amaldoss believed Rajendram. We accept the evidence of Amaldoss on the point and hold that there was no such agreement or bargain as alleged by Tholasinga and that no corrupt practice is proved in the case.

The learned counsel for the petitioner referred us to certain decision reported in *O'Malley and Hardcastle Reports* to the effect that if any act of bribery is clearly made out and agency also clearly proved the election must be set aside. But before a candidate could be affected by the acts of another his agency should be proved and this leads us to the consideration of the evidence let in this case. Reliance is strongly placed by the learned Counsel on a circular issued by Amaldoss on 26th December 1921 marked as exhibit H in the case. It begins thus 'Strictly private and confidential' and then extracts and quotation from a passage of Sir Edwin Arnold's Light of Asia and proceeds 'I wish you and your staff a most Happy New Year' and appeals to officers under district board to support and advertise him (District Board President's) candidature and secure him as many votes as possible 'by honest efforts for securing success to our master.' A letter written on 12th January 1922 by Amaldoss to Sundara Nayanar, a District Board Member, Tirukoyilur, to secure as many votes as possible and try to acquire success in every possible way, is also relied on to prove agency. But both Amaldoss and respondent swear that Amaldoss was never constituted agent that Amaldoss wrote the above letter on his own initiative and on his own responsibility to render what service he could to his master the President of the District Board.

Thus we see that no reliance can be placed on the oral evidence on the side of the petitioner. The only documentary evidence relevant to the charge of corrupt practice being the petitions to the President and orders thereon and Amaldoss's letters referred to above, all dated long prior to Mr. Subbarayalu Reddiyar's death, we feel no difficulty in accepting the evidence on behalf of the respondent and in finding against the allegations made in the petition. We have of course kept in view the definition of 'Agent' and 'Candidate' in section 28 *of the Madras Electoral Rules* and the cases quoted by the learned counsel on the point. We have also kept in view the circumstance that though no allegations are made against the respondent personally, namely, that he was personally guilty of corrupt practice of bribery the petitioner's allegations being only that the respondent was liable to forfeit his seat because of the corrupt practice of bribery on the part of his agent Amaldoss Pillai who is alleged to be the agent of the respondent yet if any corrupt practice specified in Part I of Schedule 4 of the Madras Electoral Rules has been committed by the agent of a candidate though the candidate may be unaware of the same, the said act done by the agent in the course of agency in connexion with the election would avoid the election of a returned candidate. But holding as we do that Amaldoss was not the respondent's agent and that Amaldoss was not in fact guilty of any such corrupt practice we have no hesitation in declaring that the respondent has been duly elected and that the petition of Ramachandra Padayachi should be dismissed with costs and we would report to His Excellency accordingly. The petitioner should pay the taxed costs of the respondent. We fix the Pleader's fee of the respondent at Rs. 1,000. The other costs will be taxed by the Registrar.

N.B.—Should the number of candidates who have applied to be examined at any one of the above centres fall short of fifty, the candidates that selected that centre must be prepared to proceed, at their own expense, to the nearest centre where the examination may be held. Timely notice will be given to the candidates concerned.

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and no candidate will be allowed to name more than one centre. No candidate will on any account be allowed to change the place of examination entered in his application, which *must invariably be the place where he is employed or ordinarily resides, or should it not be a centre, the place nearest to it where the examination is held.* A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examinations in any of the subjects mentioned, at any other place, if he is satisfied that not fewer than *fifty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 20th August. Ordinarily, however, only one place will be constituted a centre for each district.

5. The oral and practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the written examination, candidates are recommended to refer to Part I-B of the* Fort St. George Gazette, *from time to time.*

6. Candidates whose examinations, either written or oral and practical, cannot be arranged for at any place must, *at their own expense,* proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

7. Heads of institutions are requested to see, before the certificate at the foot of the application is signed by them, that their institution has been recognised by competent authority as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils.*

N.B.—Heads of institutions recognized for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical examinations.

8. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no applications of any *private* candidates being enclosed with these applications.

9. Each candidate must, wherever the syllabus requires it, submit, before the 31st August, the necessary drawings, plans, surveys, field books, estimates, or other 'certified works.' Each of the drawings, etc., submitted must have entered on it the name of the candidate, the subject and grade of examination for which he appears and the centre at which he appears, and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway company.

Candidates are specially warned that no certified works will be valued by examiners unless the certificate of authorship is quite satisfactory and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Further, if any suspicion attaches to any certified works submitted by pupils from Technical schools, the Commissioner will be compelled to recommend to the authority concerned the withdrawal of the departmental privileges enjoyed by the schools. Private candidates whose certified works are in any way suspected by the examiners will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (i.e., the drawings, etc., for number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink:—

(1) Name of candidate,
(2) Place of examination,
(3) Subject,
(4) Grade, and
(5) Total number of drawings in each roll.

* For Free-hand Outline Drawing (Elementary and Intermediate grades), Design (Elementary grade), Geometrical Drawing (Elementary and Intermediate grades) and Painting (Elementary grade).

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled* up with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned

10. Candidates must send in their applications made out in English on *printed forms so that they reach the Commissioner's office on or before the 31st August, after which date no application will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

NOTE.—Candidates who is desirous of being examined through the medium of a vernacular in any subject should specify in column 9 of his application the language (e.g., Tamil, Telugu) through the medium of which he wishes to be examined.

11. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates in the Native States of Mysore, Hyderabad, Travancore and Cochin should obtain them from the Resident's Treasury. Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, Cathedral P.O., Madras, and not to the Collector at Madras.

N.B.—No notice will be taken of any application from candidates in the mufassal requesting to be supplied with application forms from this office.

12. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Elementary.	Intermediate.	Advanced.
	Rs.	Rs.	Rs.
For each subject	3	5	10

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

13. The prescribed fee must be paid in every case into a Government treasury or, if at Madras, into the Imperial Bank of India, and the receipt given by the Treasury Officer or the Imperial Bank of India attached to the application, which must in every case reach the Commissioner's office on or before the 31st August. *On no account will the fee be received in the Commissioner's office, whether sent in cash or by Post Office orders. No application will be registered unless it reaches the Commissioner's office by the date prescribed.*

NOTE.—*At Madras, in the case of all pupils, the fee should be collected by the Headmaster and sent in a lump sum to the Imperial Bank of India at Madras together with two lists of the pupils, one of which will be retained by the Bank and the other signed and returned to the Headmaster. This latter list should be forwarded to this office along with the applications of the candidates. The necessary forms for this purpose will be supplied by this office to Headmasters on application.*

14. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid *being securely attached to it.*

☞Candidates are warned that the application itself *should not be enclosed* with any drawings, plans, surveys, field books, estimates, or other 'certified works' that may be sent, but should be submitted in a separate cover

[*Application for admission to the Government Technical Examinations.*]

To

The Secretary to the Commissioner for Government Examinations,
Cathedral P.O. (Madras).

N.B.—Candidates anxious to secure themselves that their applications have been received should enclose *an addressed post-card in their respective applications* The post-card should bear the sender's address only and no other writing. Such post-cards will be returned to them in due course with the 'Received' stamp of the office impressed upon them. No other form of acknowledgment except that required by the Postal rules regarding registered covers can possibly be given nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. *Insufficiently stamped covers will be rejected.*

15. Candidates should write their names, their father's names and their house names, *distinctly* and *in full* in their applications and give their *addresses in full* also; if 'Other Hindus', they should state in column 5 of their applications whether they are 'Non-Brahman Caste Hindus' or 'Adi-dravidas.' Applications which are irregular or defective in any particular will not be taken notice of.

NOTE.—The occupation or profession of candidates, or the appointments held by them should invariably be stated—in full—in column 10 of their applications.

16. *The fee paid will, in no case whatsoever, be refunded, nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the notification carefully and satisfy themselves, before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and practical examinations.*

17. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a particular stage or stages in subjects in which the examination is divided into stages, or as having passed the Intermediate (late Preliminary) where the examination is of two grades—Intermediate and Advanced—must in their applications cite the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

18. The examinations in the subjects under 'Drawing, etc.', will be conducted in the order of time and subjects set forth in the following table. *Candidates will not be allowed to come up in more than one of the subjects bracketed together for the same time on the same day in the table below, or for more than one grade of examination in the same subject in the same year.*

UNIVERSITY OF MADRAS.

NOTIFICATION.

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN SEPTEMBER AND OCTOBER 1922.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each book. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so, their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, manuscript, or paper of any description, from communicating with or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be sent out of the room forthwith, and his conduct will be reported to the Registrar. The use of stencils at University Examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in groups (i) and (ii) of the Intermediate and B.A. Degree Examinations.

9. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

10. Particular attention is requested to the instructions regarding rough working and loose sheets of paper printed on the answer books. All rough working must be shown on the left hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

11. As soon as candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

12. Communications to the Registrar from candidates requesting information relating to the results of examinations will not receive attention until after the publication of the results in the *Fort St. George Gazette*. Success or failure, however, will be communicated by telegraph, if prepaid.

The hall tickets of candidates sitting for the examinations at Madras will be ready for distribution at the Senate House four days before the date of each examination. THE COTTON CROP OF 1922-23.—FIRST REPORT.

(On an average of the five years ending 1920-21 the area under cotton in the Madras Presidency has represented 10·6 per cent of the total area under cotton in India.)

The area sown with cotton upto the end of July 1922 is estimated at 125,600 acres as against 114,200 acres on corresponding date last year or an increase of 10 per cent.

The figures reported for the south represent old crops still standing, e.g. Combodia from which some later pickings will be obtained before they are removed under the operations of the Pest Act. There has been a falling off in the "Northern" and "Western" area owing to the partial failure of the south-west monsoon in June and July. The season for sowing cotton in the red soil areas is never but such soils form only a small portion of the total cotton area. There has been an increase in the area sown in Vizagapatam where the season has been favourable.

Details by districts are given below.

(Area in hundreds of acres, i.e. 00 being omitted).

2. The lease will be for the period commencing from 1st October 1922 to 30th June 1924 if the prices are good, if not for only one year, i.e., up to 30th June 1923.

3. No person will be allowed to bid at the auction unless he has previously deposited a sum of Rs 100 as earnest money. Except in the case of recognized firms of some standing, every person who has furnished the above deposit should further produce a certificate as to his solvency duly signed by the Tahsildar or Deputy Tahsildar within whose jurisdiction such person usually resides or owns properties before any sale can be confirmed to his name. No person will be allowed to bid for another or for himself and others unless he holds a power-of-attorney duly executed in his favour authorizing him to bid on behalf of such other person. The deposits of all unsuccessful bidders will be returned to them soon after the sales are over, while that of the successful bidder will be retained.

4. All sales are subject to the confirmation of the District Forest Officer or the Conservator of Forests, Third Circle, Madras, as the case may be, who reserve to themselves the right of rejecting any bid without assigning any reasons for so doing.

5. The sale list shall be signed by the highest bidder of every lease immediately after the sale is knocked down in his name, and a certificate should also be appended thereto by him to the effect that he has read and understood the terms of the sale notice and that he agrees to abide by them.

6. The lease amount will be paid as follows:—
(1) First instalment within fifteen days of the order confirming sale.

An agreement shall also be executed by every successful bidder within fourteen days from the date of receipt by him of the order sanctioning the sale in the prescribed form which can be seen at the Forest Range, Division or Circle Office, during office hours. Unless and until the security deposit is furnished and the agreement executed as above, no contractor will be allowed to commence work in respect of this contract. The security deposit may be in Post Office Savings Bank, or in Government Promissory Notes.

8. In case the successful bidder of any lease fails to furnish the security deposit or to execute the agreement referred to in paragraph 7 above, such lease will be resold at the risk and loss of such bidder who will not only forfeit any deposit already furnished by him but will also be liable for the loss, if any, accruing by the resale. He will not, however, be entitled to the profit, if any, that may result from the resale. Any removal of produce by the contractor or his heir or agent before the execution of agreement will be treated as an offence punishable under the Forest Act.

9. Interest at 9 per cent will be collected on all overdue payments.

10. Intending bidders may obtain at any time any further particulars regarding the sales at the District Forest Office concerned.

11. The following are the important conditions; among others, subject to which agreements must be executed by the successful contractor:—
(a) The contractor shall not claim any compensation for land granted on pats or for any other purposes during the currency of the lease.
(b) Government reserve the right to early burn any part or all of the area in reserved forest covered by the lease whenever it is found necessary to do so as a preventive against fires, and no compensation will be granted for any loss sustained by the lessee through such early burning.

12. Intending contractors are advised that a license will probably have to be procured under the Indian Poisons Act XII of 1919 before collection starts.
